PROPERTY DETAILS

This immaculate 3,035 sq ft Cambria model in Olympia 2 offers both luxury and convenience. The sellers have enhanced the property with a newly installed electrical panel ready for an AC generator, a new water heater, and meticulous maintenance, including a professionally pressure-washed roof, steam-cleaned carpets, freshly painted interiors and exteriors, and a manicured, freshly mulched landscape. The home is equipped with surveillance cameras and a pre-wired security system, ensuring peace of mind. Inside, the great room impresses with its high ceilings and tile flooring throughout the main living areas, complemented by elegant wood and wrought iron banisters. The kitchen, designed for both function and style, features wood cabinetry, granite countertops, stainless steel appliances, and a kitchen island overlooking the family room. A custom-built entertainment center anchors the family room, with French doors opening to a screened lanai, offering serene lake views. The primary bedroom suite provides a private retreat with dark wood flooring and a separate sitting area, ideal for a home office. The en-suite bath is designed for relaxation with dual vanities, a large soaking tub, and a separate shower. A fourth bedroom on the first floor includes a full cabana bath, perfect for guests or multi-generational living. Virtually staged to highlight its unique potential, this home is move-in ready and designed to impress.
