

This inviting estate home sits on over an acre. HIGH IMPACT windows/doors (both garages too). Engineered hardwood floors throughout! Open floorplan welcomes you as you enter the glass double door entry. Updated baths include granite counters & newer vanities. White kitchen with newer SS appliances, lots of counter space with island and snack counter. Split bedrooms. PUBLIC WATER which is rare in the Acreage! Extra garage/shop with 1750 sq ft can be used as a work shop, office, or a garage to store vehicles, marine vessels or warehouse with a stub for a future bath. Possible future guest house? Screened patio with salt water pool and sprinkler system (from well). Two open horse stalls and a shed in yard. Completely fenced. Separate circuit box for generator in main garage.
