It has over 1700 sq ft under air. Open the front door into a living/dining room with soaring ceilings.

The kitchen was fully renovated in 2018 and offers soft close cabinets with pull-out drawers and 42" upper cabinets for lots of space. There is a large pantry and the extended island is a showstopper and provides extra storage and plenty of room to sit around.

Beautiful wood effect floors throughout make this home easy to maintain. Your fenced yard gives extra privacy so you can sit and relax on your sun-drenched deck, or grab shade inside the extra-large covered patio.
