PROPERTY DETAILS

In today's crazy insurance market, we've got a great home for you with a BRAND NEW ROOF! No worries about getting insured! This 2-bedroom, 2-bathroom CBS home has a split bedroom plan with laminate floors throughout. Are you someone that loves a good closet? You've GOT to see this wrap-around closet in the primary bedroom. Spacious back yard with plenty of room for a pool. Covered porch for your outdoor relaxation. Commuters dream, as it's conveniently located just a couple miles from I-95 and the Turnpike. Do you like the beach? Proximity to Crosstown Parkway makes your drive to the ocean a bit quicker. The lot also backs up to a drainage right of way, so there's a nice privacy buffer. A/C was updated in 2022 and home was converted from septic to City Sewer in 2020.
